

There are a wide variety of Liquefied Petroleum Gas Safety Assessments available, those applicable to individual gas operatives will be dependent on the type of gas work undertaken. Details of these assessments are given below.

Please do not hesitate to contact us for further guidance on which assessments are applicable to the range of gas work you or your operatives undertake.

<b>ASSESSMENTS AND TRAINING FOR LPG GAS FITTING OPERATIVES</b>	
<b>Assessment Code</b>	<b>Assessment Summary</b>
CoNGLP 1PD.	A changeover core assessment for an operative who already holds a core gas safety assessment and intends to extend their scope of work to include carrying out installation and maintenance work on Liquefied Petroleum Gas pipework, appliances and equipment in Permanent Dwellings. <b>THIS IS A PREREQUISITE TO ALL OTHER ASSESSMENTS LISTED IN THIS TABLE</b>
